

3M 8514-N95

Particulate Respirator

Many features help provide comfortable, durable respiratory protection:

- NIOSH approved N95 At least 95% filtration efficiency against solid and liquid aerosols
- TC-84A-045431VITm Cool Flow' Exhalation Valve
- Patented one-way valve offers easy exhalation for cooler dry comfort.
- Carbon Filter Material provides 3M recommended ozone protection (up to 10 x PEL).
- Provides relief from odors caused by nuisance level organic welding vapors.
- Cake-resistant filter media reduces the caking of particles on the respirator surface.
- Comfortable to wear, longer service life, increased savings.
- Adjustable noseclip helps provide a custom fit and secure seal.

\$52.75 PER BOX OF 10 - IN STOCK!

Suggested Applications

- Welding
- Brazing
- Soldering
- Torch cutting
- Metal pouring

- Grinding
- Sanding
- Sweeping
- Bagging
- Other dusty/hot operations

- Foundry operations
- Lab settings
- Petrochemical operations
- Undercoating
